Dear Ieva,

Sure thing. The price for two participants including all taxes is 3885,31€. (1690€+1521€ + 674,31€).

Is that enough? Do you send over a contract that we sign?

Best,

Sebastian

Dear Sebastian,

Because of the procurement procedures, firstly we need to receive the official proposal for two persons with prices including all taxes.

After that we will need to receive a contract and two different invoices for each person.

Thank you for the understanding.

Sincerely
