1. By submitting this Tender we state that we ~~agree/disagree~~ (if 'disagree' – please specify and provide the reasons why) with all the conditions of the Negotiated Procedure with Publication of a Contract Notice set out in:

- 1) the Procurement Notice published on 29/09/2017 in the Central Portal of Public Procurement (procurement No 346029);
- 2) the Conditions of the Simplified Negotiated Procedure with Publication of a Contract Notice;
- 3) other Contract Documents.

2. We offer to provide the services of evaluation of technical condition of the buried pipeline of branches and sections of the main gas transmission pipeline from above the ground (diagnostic services) (the 'Services') for the following price (for the tender comparison purposes):

Total Tender Price (for the tender comparison purposes) (excl. VAT) EUR 65.000,00 (sixty five thousand euros)  
(amount in figures and words)

The Total Tender Price (for the tender comparison purposes) include all costs and all taxes except the VAT 21 %.

3. For the tender price comparison purposes, the price components are as follows:

**3.1. Prices for the services** of the evaluation of the technical condition of the buried pipeline of the MGP branches and sections from above the ground surface (diagnostics):

Phase No	Price component	Quantity, km	Price excl. VAT (EUR)
1.	MGP branch to GDS Kaunas -1 (length 0.461 km)	0.461	2.882,91
2.	MGP branch to Aukštųjų Panerių GDS (Line I and Line II)(length 0.346 km and 0.321 km)	0.667	4.171,16
3.	MGP Ivacevičiai-Vilnius-Riga section at the river (Section I and Section II)(length 0.582 km and 0.140 km)	0.722	4.515,10
4.	MGP branch to Šiaulių GDS (String I and String II) (length 2.351 km and 2.400 km)	4.751	29.710,89
5.	MGP branch to Kužių GDS (length 1.551 km)	1.551	9.699,35
6.	MGP branch to Daugėlių GDS (length 2.242 km)	2.242	14.020,59
	<b>TOTAL LENGTH, km</b>	<b>10.394</b>	
<b>1. - 6.</b>	<b>Total Tender Price (EUR) excl. VAT:</b>	<b>65.000,00</b>	

**\*Note.** The Contracting Entity may, on the terms and conditions of the Contract, refuse to purchase up to 50% of the Services, or purchase additional services for up to 20% of the total contract price. In the event of such additional purchase or refusal to purchase, the rates (EUR/m) of diagnostics services provided for analogous facilities shall be applied upon recalculation.

4. The services offered *comply* / ~~do not comply~~ with the requirements of the Contract Documents and their characteristics are as follows:

Item No	Description of the services
1	Diagnostics of pipelines from above ground; no soil above the pipeline needs to be excavated during the diagnostics; gas supply via the gas pipeline is not interrupted
2	Depth of cover measurements every 1 m of inspected pipeline
3	GPS-measurements every 25 m of inspected pipeline
4	GPS-measurements of bends, integrity features, obstacles above ground and other notable points
5	EMPIT data evaluation
6	Right of Way inspection (Picture every 50 m of inspected pipeline)

5. The following documents are submitted together with the Tender:

Item No	Title of document	Number of pages in the document
1	EMPIT Specifications.pdf	1
2	EMPIT Specifications.pdf.pkcs7	1
3	SERVICE CONTRACT agreed.docx	16
4	SERVICE CONTRACT agreed.docx.pkcs7	16

5	Bank Guarantee HASPA.pdf	2
6	Bank Guarantee HASPA.pdf.pkcs7	2
7	Minutes of the Meeting.pdf	1
8	Minutes of the Meeting.pdf.pkcs7	1

6. For the participation in the Procurement and the execution of the Contract, we will rely on the capacities of the following economic operators and/or will hire the following subcontractors<sup>1</sup>:

Item No	Name of economic operator	Name of the economic operator, special permits held and membership of organisations by the economic operator, or available financial, economic, technical and/or professional capacities <sup>2</sup>	
6.1. Economic operators the capacities of which are relied upon in order to comply with the Conditions of the Negotiated Procedure			
6.1.1.			
....			
6.2. Subcontractors known at the time of submission of the Tender that will be hired for the execution of the Contract (both economic operators the capacities of which are relied upon in order to comply with the Conditions and which will execute parts of the Contract and the subcontractors whose capacities are not relied upon in order to comply with the Conditions) <sup>3</sup>			
Item No	Name of subcontractor	Description of works/services/goods to be performed/provided/supplied by the subcontractor	Share of obligations for which the subcontractor will be hired
6.2.1.			
...			

7. The following information presented in the Application is confidential (the documents with confidential information are submitted separately)<sup>4</sup>:

Item No	Title of the document	The document has been uploaded to the following line of the Tender window in CVP IS (Attached Documents or Qualifications Questions at the answer to the question)

<sup>1</sup> To be completed if subcontractors will be hired for the execution of the Contract.

<sup>2</sup> The Service Provider may rely on the capacities of other economic operators in order to comply with the requirements for financial, economic, technical and/or professional capacity (if such requirements have been established by the Contracting Entity) **provided that the economic operator whose capacity is required will provide the relevant services by his own effort.**

<sup>3</sup> The percentage share of the obligations for which subcontractor/subcontractors will be hired must be specified, and subcontractors shall be specified provided that they are known at the time of submission of the Tender.

<sup>4</sup> To be completed if confidential information will be presented. The Service Provider may not designate the Tender Price or the entire Tender as confidential.

8. Terms of payment for the services are specified in Clause 3.1 of Annex 4 to the Conditions Negotiated Procedure (Draft Contract).

9. To secure the validity of this Tender we are submitting a bank guarantee, issued by HASPA Bank; DOC name: "Bank Guarantee HASPA.pdf"; amount: 3.100 EUR  
(document and amount of the Tender Security, the guarantor or a surety).

10. The Tender is valid until the end of the term specified in the Conditions of the Negotiated Procedure.

The block contains a handwritten signature in black ink, which appears to be 'M. Kuc'. To the right of the signature is the logo for EMPIT, which includes a circular emblem with a triangle inside, followed by the text 'EMPIT' in a bold, sans-serif font. Below 'EMPIT' is smaller text that reads 'European Procurement Portal' and '12/13'.
