Confirmation required in tender “2017 purchase of bottles and hydration back packs” (336179)

Eurosec OÜ (Estonian registry code 11606119) have been asked to present Estonian court or other competent public administration institution issued letter, which will prove that supplier is not bankrupt, liquidated, has not entered into a peace agreement with creditors, has not suspended or restricted its activities, or the same or similar according the country laws where it's registered. No restructuring case initiated, no bankruptcy case or bankruptcy process is held outside the court, no procedures for forced liquidation initiated, or procedures of agreements with creditors or no any analogic procedures are in act according registration country's laws.

We kindly inform that in the Republic of Estonia there is no institution which would confirm the required information by the purchasing organization.

We have checked all data available in Estonian registries and can confirm that according to such data Eurosec OÜ (Estonian registry code 11606119) is not bankrupt, liquidated, has not entered into a peace agreement with creditors, has not suspended or restricted its activities. It has no restructuring case initiated, no bankruptcy case or bankruptcy process is held outside the court, no procedures for forced liquidation initiated, or procedures of agreements with creditors or no any similar procedures are in act according the laws of the Republic of Estonia.

Kristo Kallas
Attorney-at-law
