EU DECLARATION OF CONFORMITY
(ORIGINAL)

Manufacturer:	Mitutoyo Corporation
Address:	20-1, Sakado 1-chome, Takatsu-ku, Kawasaki-shi, Kanagawa, 213-8533, Japan

This declaration of conformity is issued under the sole responsibility of the manufacturer.

Description of Product:	Surface Roughness Measuring Instruments
Model Number:	SJ-411
Code Number:	178-580-01D
Serial Number:	*****1601 ~

(Table continued in the attached sheet)

The undersigned hereby declares that the product(s) is (are) in conformity with the following directives.

Directives:	2004/108/EC	Electromagnetic Compatibility Directive (until April 19th, 2016)
	2014/30/EU	Electromagnetic Compatibility Directive (from April 20th, 2016)

The following standards were applied:

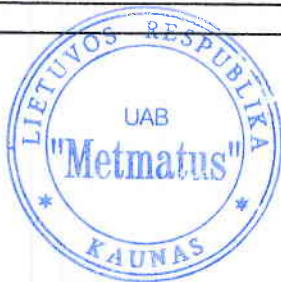

Standards:	EN 61326-1:2013
	Immunity test requirement: Clause 6.2 Table 2. Emission limit: Class A

Place and Date of Issue: Kure, Japan, 25 December 2015

Signed for and on behalf of Mitutoyo Corporation:

	
Name:	Takafumi Kano
Position:	Kure Production Department, Department manager

„Criteria for CE Marks on Mitutoyo Products“

Whether Mitutoyo products need a CE mark depends on the application of one of three guidelines, as there are EMC, “Low Voltage/ Niederspannungs-“ and “Maschinen“- guideline.

Area of application for the different guidelines:

EMC: The device generates noises or is susceptible to noises (= all devices powered on electricity).

Low Voltage: Nominal voltage between AC 50 V-1000 V and DC 75 V-1500 V

Machines: Machines with movable parts, that are electrically controlled/ driven (elevators etc. exempt)

This indicates that mechanical small measuring tools etc. do not need the CE mark.

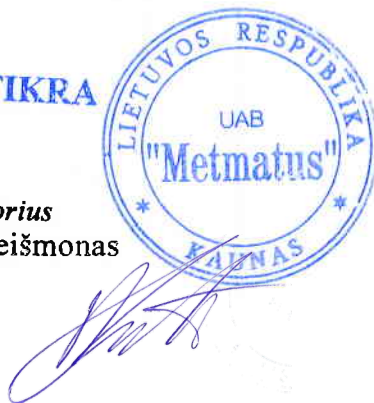

Please convey this information to customers and distributors, should related queries arise.
