

GARMIN®

GARMIN DRIVE™
PRODUCT LINE

THE FUTURE IS ON YOUR GARMIN. JUST LOOK AHEAD AND DRIVE.

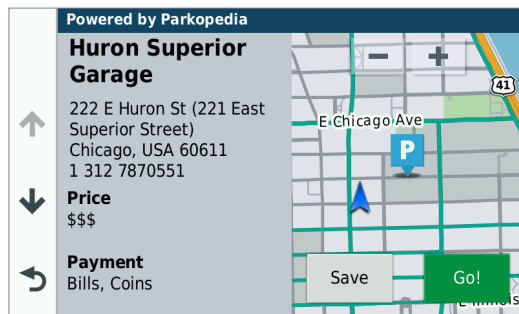

Think GPS devices are a thing of the past? Think again. The Garmin Drive family represents industry-leading driver alerts, live services that bring you the freshest content and helpful features you'll find uses for every day. Whether you're heading to the grocery store, going on a road trip or hunting for an open parking spot, the future is on your Garmin. Just look ahead and drive.

I AWARENESS I

Garmin Drive™ 51/61

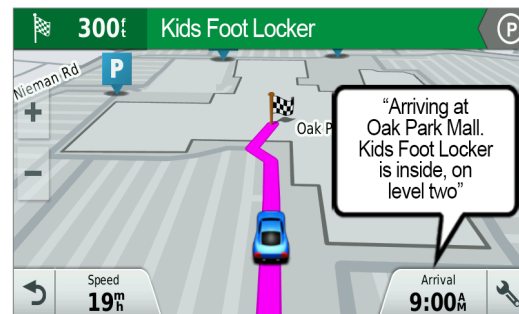

Entry-level GPS Navigators with Driver Alerts

For a smoother ride, the Garmin Drive GPS navigator features helpful driver alerts, live traffic information¹ and free lifetime map updates². Spend less time circling the block with help from real-time parking information³, and easily navigate with spoken directions that guide like a friend. Plus, travel points of interest from TripAdvisor® help you find popular stops and attractions along the way.

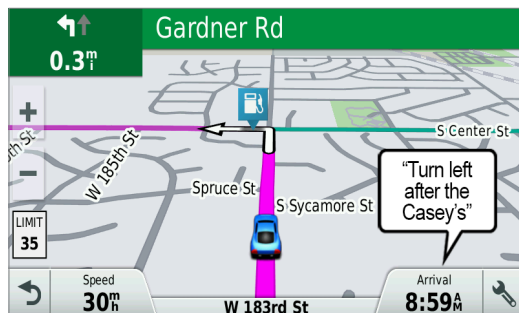

Live Services⁴

Once paired through the Smartphone Link app, access free live traffic, weather and parking information. Available on select models.

Direct Access

Simplifies navigating to select complex destinations such as malls and airports.

Garmin Real Directions™

Spoken Garmin Real Directions guide you like a friend, using recognizable landmarks, buildings and traffic lights.

KEY FEATURES

- DRIVER ALERTS
- LIVE TRAFFIC
- LIVE PARKING
- GARMIN REAL DIRECTIONS

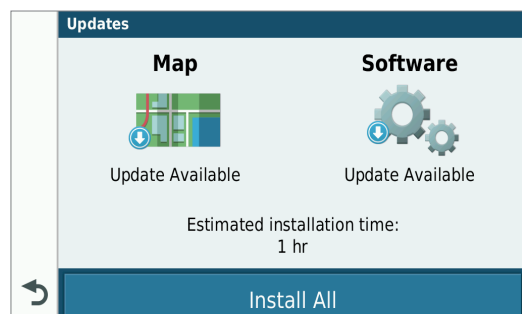

I SMART CONNECTIONS I

Garmin DriveSmart™ 51/61

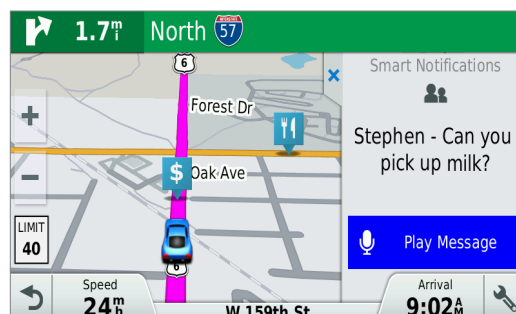

Advanced Navigation with Smart Features

Stay connected with Garmin DriveSmart. This GPS navigator features built-in Wi-Fi® for easy software and map updates. Includes voice-activated navigation, Bluetooth® hands-free calling⁴ and onscreen smart notifications⁵ so your hands remain on the wheel. Enjoy free lifetime map updates² plus TripAdvisor® data, helpful driver alerts, and live traffic¹ and parking information³.

Easy Updates with Wi-Fi

When connected to your home Wi-Fi network, you'll receive a notification when it's time to update maps and software.

Smart Notifications

Customizable smartphone notifications let you display calls, texts and other app alerts on your navigation screen.

KEY FEATURES

- VOICE-ACTIVATED NAVIGATION { CAR { LIVE TRAFFIC { MAGNETIC MOUNT
- SMART NOTIFICATIONS⁵ { WI-FI® { INCIDENT NOTIFICATIONS { LIVE PARKING

| DRIVER ALERTS |

TO ENCOURAGE SAFER DRIVING AND INCREASE SITUATIONAL AWARENESS, THE ENTIRE GARMIN DRIVE™ PRODUCT LINEUP INCLUDES DRIVER ALERTS.

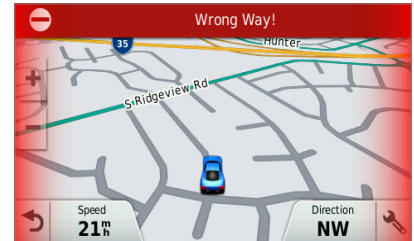

Fatigue warning

Suggests break times and potential rest areas ahead after hours of driving.

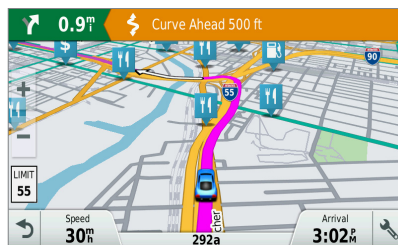

Railroad & Animal crossings

Provides alerts when approaching railroad crossings or animal crossings.

Wrong way

Provides alerts when driving the wrong way on a one-way street.

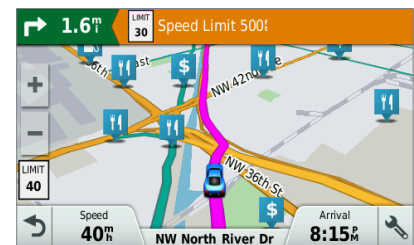

Sharp curves

Alerts for sharp curves ahead.

Red light cameras and speed cameras

Provides alerts when approaching red light cameras or speed cameras. Not available in all regions.

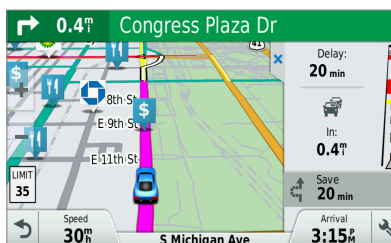

Speed changes

Alerts for upcoming changes in speed.

Approaching traffic jam

Alerts when you are fast-approaching stopped or slow traffic on select models.

Traffic avoidance

Avoid traffic and learn time-saving detours on select models. No subscriptions and no fees.

School alerts

Warnings for nearby schools and school zones.

| ADD TO YOUR DRIVE |

GET THE MOST OUT OF YOUR NAVIGATOR WITH THESE ADDITIONAL CAPABILITIES FROM GARMIN.

Watch Link

Watch Link functionality is available when you pair your navigator with a compatible Garmin smartwatch (sold separately). With this Connect IQ™ app, you'll get driver alerts and handy compass guidance to and from your parked vehicle and to your destination.

Smartphone Link

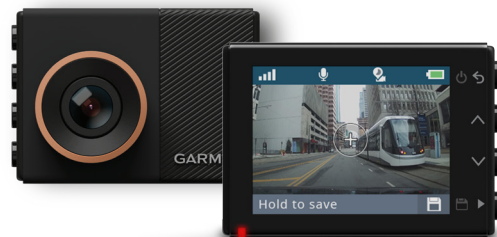

Once paired with the Smartphone Link app, Garmin navigators with "LMT-S" in the model name will have access to free live services such as live traffic, weather and parking. **Check here for details and compatibility.** Get the most up-to-date information and take the hassle out of travel.

VIRB® App

With Garmin DriveAssist 51, you can use the VIRB app on your tablet or smartphone. Play back, save and delete video and photos captured by the built-in camera. Also, use the app to easily share captured video with friends on social media.

WHEN IT COMES TO ADDING CAMERA TECHNOLOGY TO YOUR DRIVE, GARMIN HAS YOU COVERED, BACKWARDS AND FORWARDS.

BC™ 30 Wireless Backup Camera

Easily see vehicles, pedestrians and other obstacles when you move in reverse.

Garmin Dash Cam™

Drive with a reliable eyewitness when you are on the road⁷. Compact GPS-enabled HD driving recorder with Incident Detection (G-Sensor) automatically saves footage of collisions and incidents.
