To whom it may concern

The enclosed accreditation certificate from Latvian National Accreditation Bureau LATAK issued to E. Gulbja laboratorija confirms the participation of the laboratory in the external quality control according to the requirements of international standard LVS EN ISO 15189:2013.

E. Gulbja laboratorija has been accredited for quality assurance since 2003 corresponding to international standard LVS EN ISO/IEC 17025, since 2007 corresponding to standard LVS EN ISO 15189:2007 and since 2008 – to LVS EN ISO 15189:2013. External quality assurance audits are performed each year and re-accreditation every five years.

Yours sincerely

Sandra Dimante

Board member
